**Airport Etiquette**

**Please conduct pre-flight while aircraft is in a designated parking area.**

**Please do not dispose of fuel onto ramp, taxiways, or tie-down spaces.**

**Please load all baggage prior to pulling aircraft onto taxiway.**

**Please pull aircraft out of designated parking area and aligned with the taxiway centerline prior to starting engine(s).**

**Please do not block taxiways for periods longer than necessary while loading passengers and performing engine start-up.**

**THANK YOU! FLY SAFELY.**
