

**Private Pilot, ASEL Ground Log, 14CFR 61.107 and 61.105**

I certify that \_\_\_\_\_ has received the following ground training:

**Flight Proficiency 61.107(b)(1)**

**Aeronautical Knowledge - 61.105(b)**

| Date | Topic of Instruction                    | Time | Date | Topic of Instruction                                      | Time |
|------|---|------|------|---|------|
|      | (i) Preflight preparation...            |      |      | (1) Applicable FAR's...                                   |      |
|      | (ii) Preflight procedures...            |      |      | (2) NTSB accident reporting...                            |      |
|      | (iii) Airport operations...             |      |      | (3) Applicable portions of AIM and AC's...                |      |
|      | (iv) Takeoffs, landings & go arounds... |      |      | (4) Aeronautical charts...                                |      |
|      | (v) Performance maneuvers...            |      |      | (5) Radio Communications...                               |      |
|      | (vi) Ground reference maneuvers...      |      |      | (6) Critical Wx recognition, Wx procurement and use...    |      |
|      | (vii) Navigation...                     |      |      | (7) Safe and efficient operation of acft...               |      |
|      | (viii) Slow flight & stalls...          |      |      | (8) Effects of D.A. on performance...                     |      |
|      | (ix) Basic instrument maneuvers...      |      |      | (9) Weight and balance...                                 |      |
|      | (x) Emergency operations...             |      |      | (10) Aerodynamics, System...                              |      |
|      | (xi) Night operations...                |      |      | (11) Stalls, Spins...                                     |      |
|      | (xii) Post flight procedures...         |      |      | (12) ADM...   |      |
|      |   |      |      | (13) Preflight action - (i) airport info, (ii) alternates |      |

Josh Pavlovich, 2746707CFI, Expires

The listing of training above is provided to show the training requirements have been met. This record is not provided as a complete listing of all training, but does show a date and time of training received for 61.105 and 61.107 for easy record keeping.
